

## The Creative Edge Workshop

---

Putting more creativity into your life  
Putting more life into your creativity

---

A 150 page workbook to support you in becoming more creative

---

By participating in the activities and completing this workbook you will:

- learn what creativity is
- learn about the ways you

are already creative [and expand them]

- learn how to make your life more creative
- learn how to identify and strengthen aspects of your creative character
- learn what creative people do [habits] that makes them creative
- learn how you can expand your creativity by applying the six habits of creative people to your life
- do practical activities to grow your creativity
- do it all in your own time and at your own pace.
